The California Political Reform Act places limits on contributions (including loans) to candidates for state office, and impose certain prohibitions. This request does not seek a contribution in excess of the applicable limits or from prohibited sources. An individual, union, political action committee, association, committee, partnership, business or corporation may contribute the maximum of \$4200 to the committee per election. A registered Small Contributor Committee may contribute the maximum of \$8400 to the committee per election.

**Thank you for your support!**
